Recharger Pack

Return. Progress. Reignite.

The Recharger Pack replaces the *Returners Course* and aims to offer a much more comprehensive suite of tools to better support those who are seeking to return to the profession, as well as those whose confidence and skills might need reinforcing to further develop their careers.

Our new Recharger Pack includes the following free resources:

One half day free panel event focusing on career options and support available happening in every year in May

One half day empowerment workshop organised annually in March to mark international Women's Day

One full day course focusing on confidence building, personal brand and skills boosting, happening every year in October

A series of free interactive sessions on building your personal brand and your resilience

A suite of webinars covering practical skills free to access via our online Professional Development Centre

Access to a group of Back to Law Ambassadors offering role modelling, advice and informal mentoring to returnees

A regional returnship initiative in Manchester and Leeds delivered in partnership with Women Returners
